

Montgomery Municipal Court

Minor Equipment Violations

Some municipal ordinances allow you to have certain equipment violations repaired and your charge dismissed. You will need to present this form before the court appearance date to the Bailiff of the court between the hours of 3:00 pm and 5:00 pm on Monday, Wednesday, or Friday so the repairs can be inspected. There will be no extension granted on equipment violations to be inspected. The only extension will be for payment of court cost and fine. Failure to handle your citation in a timely manner may result in a warrant of arrest and your driving privileges suspended.

Citation Number	Ticket Number	Name	Date of Birth
