**DR. KANESSA M.
DOSS**

The Rosa Parks Museum invites you to a community forum on the topic of mental health. Panelists will discuss:

- Mental health issues and how it affects students and families
- Recognizing and addressing topics of anxiety, depression, and suicide
- How the COVID-19 pandemic has played a role in the increase of mental health issues among students
- Available resources for your mental health concerns

**Location: Rosa Parks Museum Auditorium
252 Montgomery Street**
